

Isn't It Funny?

Life is all about perspective. Perspective is "a particular attitude toward or way of regarding something; a point of view." We can often surprise ourselves by allowing a little bit of perspective into our minds. Consider ...

- How big a twenty dollar bill looks when you put it in the collection plate, but how small it looks when you put it on the grocery store counter.
- How much effort it takes to read a chapter or two of the Bible every day, but how easy it is to read the daily newspaper.
- How much of a sacrifice it seems to spend an hour worshiping the Lord, but how easy it is to spend an hour watching TV.
- How easy it is to talk to your friends about your views on world affairs, but how hard it is to speak about your faith in Jesus Christ.
- How difficult it is to attend the assemblies (including Bible classes and gospel meetings), but how easy it is to attend recreational functions.
- How we can chat on the phone for hours, but find it a chore to talk to God in prayer for a few minutes each day.

Hopefully perspective will help you to have your heart right with God, therefore producing actions that will please Him.
