

The Devil's Advocates

One of the most foolish things a warrior can do is go to battle without first knowing his enemy. Satan has planted many of his best agents among us. We need to expose a few of them.

- Chronic Complainer -- He is silent only when the church is idle. When there is great activity and good work, this person always is present to complain.
- Ever Offended -- Disagree with him and he will take his toys and go home.
- Avid Advisor -- No matter how hard you try or how well you do, he will always tell you how you could have done it better.
- Church Jumper -- He is always sure that somewhere is a perfect church where everyone is everything is in complete harmony. If he finds a church like that, let's hope he does not join it; he might spoil it!

Let us make sure that we are not part of the devil's advocates. Churches have enough difficulty spreading the gospel without these individuals, let alone with pews full of them!
